

# MCContestReportCategory.mcd

2004-01-29

File identifier (mandatory first row):

\* Magic Contest \* MCContestReportCategory.mcd \* File version: 006.001 \* Check sum: 13625 \*

Empty rows are ignore as well as rows starting with double slashes (//) that can be used for commenting the file.

\* = Mandatory fields

## File header

90 *	NBO	NBO (National Bridge Organization). This value is sent to the licensee in order to verify the origin of the file.
91 *	NBO e-mail address	When the licensee generates a MCContestReport file, that file is to be sent to the NBO. One way is by automatic e-mail where this e-mail address is used. Another way is for the licensee to create an e-mail manually. This e-mail address is shown to the licensee after the file has been created.
92	NBO message	Message from the NBO to the licensee.

## Category

10 *	Contest type	2 = Pair contest. 4 = Team contest. 1 = Individual contest.
11 *	Contest report category ID	The combination of Contest type and Contest report category ID is unique.
12 *	Category	Short name identifying the category.
13	Info	More information on when the category applies.
14	Sort	Primary sort order. If not specified, the contest report category ID will be used.
15 *	Contest report type	0 = Result list. 1 = Number of wins, ties and losses.
16 *	Is Contest ID required?	If the NBO so wishes it can supply a contest ID to keep track of contests. This contest ID is entered by the tournament director. This field specifies if that contest ID is required or not. 1 = Yes. 0 = No.

## File footer

99	Previous update	Date when the file was created. This date can only be used to view when the previous update occurred.
